NEW RULES FOR SECURITISATION OF STANDARD ASSETS—RBI

The Reserve Bank of India (RBI) has framed new rules for the Securitisation of Standard Assets.
The new set of rules will be applicable to all scheduled commercial banks, excluding RRBs, all-India term financial institutions, SFBs, and NBFCs.
The RBI has specified Minimum Retention Requirement (MRR) for different asset classes under Master Direction RBI (Securitisation of Standard Assets) Directions, 2021.
For underlying loans with an original maturity of 24 months or less, the MRR will be 5% of the book value of the loans being securitised.

WMA LIMIT SET AT RS 50,000 CRORE-- RBI
The Reserve bank of India (RBI) has set the limit for Ways and Means Advances (WMA) for central government at Rs. 50,000 crore for the second half of the financial year 2021-22 i.e. October 2021 to March 2022.

WMA is a tool used by RBI under its credit policy. It is used to provide advance amounts to the states to match up with the temporary mismatches in the cash flow of their receipts and payments. It is repayable in every situation, not later than three months from the date of making the advance.

The RBI can trigger fresh floatation of market loans when the GOI utilises 75% of the WMA limit.

The interest rate on WMA will be repo rate and for an overdraft will be 2% above the repo rate.

‘CLUB VISTARA INDUSIND BANK EXPLORER’ CREDIT CARD
