MONTHLY CURRENT AFFAIRS GK DIGEST: SEPTEMBER 2022

10TH MARITIME SEARCH AND RESCUE EXERCISE SAREX-22

Current Context: The Indian Coast Guard (ICG) conducted the 10th Military Search and Rescue Exercise SAREX-22 in Chennai.

HIGHLIGHTS

- It is a **biennial exercise** which is hosted by the **Indian Coast Guard (ICG)** and the **Indian Search and Rescue Region (ISRR)**.
- The **theme** of SAREX-22 was- "**Capacity Building towards Marine Passenger Safety**".
- It was a two-day exercise that was conducted under the supervision of the **National Maritime Search and Rescue Board (MNSARB)**.
- Overall **51** participants took part in the Exercise of which **24** were foreign representatives from 16 countries.
- The primary objective of the Exercise was to demonstrate the SOPs and best practices used during the execution of a **Mass Rescue Operation**.

DELHI POLICE MAKES FORENSIC EVIDENCE MANDATORY

Current Context: Delhi Police has become the first police force in the country to make the collection of Forensic Evidence mandatory in crimes punishable by more than six years.

KEY POINTS

- The Order was issued by the Delhi Police Commissioner, **Sanjay Arora**.
- The Order states the allotment of one **Forensic Mobile Van** in each district for providing scientific and forensic assistance.
- Forensic evidence has been mandatory for every crime which is punishable by **more than 6 years**.
- Any evidence which is gathered and analyzed scientifically is termed Forensic Evidence. Eg. Fingerprint, DNA profiling, etc.
- **Note:** Since Delhi is a Union Territory, the Law and Order and hence the Police are under the Ministry of Home Affairs.

CERT-IN CONDUCTS "SYNERGY"

Current Context: CERT-In conducts exercise Cyber Security Exercise "Synergy".

KEY FACTS

- **Indian Computer Emergency Response Team (CERT-In)**, with a joint effort of the **Cyber Security Agency of Singapore**, successfully conducted the Cyber Security Exercise "Synergy" for **13 Countries**.
- The exercise was conducted as part of the International Counter Ransomware Initiative-Resilience Working Group.
- The theme of the exercise was **"Building Network Resiliency to counter Ransomware Attacks"**.
- The Indian Computer Emergency Response Team (CERT-In) comes under the **Ministry of Electronics and IT**, Government of India.
- The headquarters of CERT-In is in **New Delhi**.

INDIA RECORDS DOUBLE DIGIT GROWTH IN Q1 FY23

Current Context: India's Q1 GDP of FY23 grows by 13.5%.

DETAILS

- India's Gross Domestic Product (GDP) in the first quarter (April-June) of the fiscal year grew by **13.5%** as per the data released by the National Statistical Office (NSO).
- The GDP grew at a rate of 20.1% during the same period last year.
- However, it is less than the estimation made by the RBI in the latest Monetary Policy Meeting where the RBI said that the GDP growth rate was likely to be around 16.2% in the first quarter of this fiscal year.
- India's fiscal deficit stood at Rs 3.41 lakh crore in April-July, accounting for 20.5% of the full-year target.
- A Fiscal Deficit indicates the total borrowing that is needed by the government.

CYBERCRIME AGAINST WOMEN UP 28% SINCE 2019

Current Context: As per the data released by the National Crime Records Bureau (NCRB), cybercrime against women has risen up to **28%** since 2019.

ABOUT

- Of the total incidents of cybercrime in 2021, **20.2%** were reported against women.
- As far as Delhi is concerned, the national capital in 2021 witnessed a 111% increase in cybercrime as compared to the previous year, according to the NCRB.
- Cybercrime against women primarily includes instances of cyber pornography, posting/ publishing of obscene sexual materials, cyber stalking, bullying, defamation, morphing, and the creation of fake profiles.
- The report also mentioned that the **conviction rate** with respect to cybercrime against women has jumped **three times** since 2019.
- The headquarters of the NCRB is in **New Delhi** and it comes under the **Ministry of Home Affairs**.

EXERCISE VOSTOK-2022

Current Context: Indian Army Contingent Participates in Exercise Vostok- 2022 in Russia.

KEY HIGHLIGHTS

- It is a multilateral strategic and command exercise that will be undertaken at the training grounds of the **Eastern Military District of Russia**.
- An Indian Army contingent of troops from **7/8 Gorkha Rifles** is in Russia to participate in the seven-day exercise.
- The military drill is aimed at coordination and interaction amongst the participating military contingents and observers.
- Along with India, countries like **Laos, China, Mongolia, Nicaragua, Syria, Tajikistan, Azerbaijan, Belarus, Kyrgyzstan**, and **Kazakhstan** have also taken part in the exercise.
- The seven-day exercise will have land, air, and sea components. But India has decided to **stay away** from the **maritime component**.

MOODY'S CUTS INDIA'S GROWTH FORECAST

Current Context: Global rating agency Moody's on Thursday cut down India's economic growth for the current fiscal to **7.7%** for the year **2022**.

KEY POINTS

- Moody's earlier estimated India's GDP growth to be 8.8% in 2022.
- It cited the **rising interest rates, uneven distribution of monsoon, and slowing global growth** as reasons for the reduced projection.
- The global credit rating agency also lowered India's GDP forecast for **2023** to **5.2** percent from 5.4%.
- Credit rating is a numerical representation of the **creditworthiness of an individual or a business** in general terms or concerning a particular debt or financial obligation.
- Moody's was founded in **1909** with its headquarters in **New York**.

SII LAUNCHES HPV VACCINE

Current Context: The Serum Institute of India (SII) and the Department of Biotechnology (DBT) launched the first indigenously developed quadrivalent Human Papilloma Virus (HPV) vaccine, CERVAVAC for the prevention of cervical cancer.

KEY FACTS

- It will be the first Quadrivalent Human Papilloma Virus vaccine (qHPV) in India, to prevent cervical cancer.
- The HPV vaccine protects against the types of HPV that most often cause vulvar, cervical, and vaginal cancers.
- For 9-14 year-olds, the vaccine will be in two doses & for 15-26 year-olds it will be a three-dose schedule.
- Cervical cancer starts in the cervix and according to the Centers for Disease Control and Prevention (CDCP), all women are at risk for cervical cancer.
- According to the World Health Organization (WHO) data, more than 4 million women have died due to cervical cancer in India since 2019.
- Serum Institute of India was founded by Dr. Cyrus Poonawalla in 1966 and has headquarters in Pune, Maharashtra.

MHA LAUNCHED E-AWAS PORTAL

Current Context: Union Home and Cooperation Minister, Amit Shah, launched the e-Awas Portal in New Delhi.

DETAILS

- The new portal will grant CAPF personnel to find houses among themselves rather than just looking for accommodation within the force.
- Shah said the housing satisfaction ratio for CAPF personnel will be enhanced to about 74% by late 2024.
- The core service of the e-Awas portal is to administer the allotment of CAPF Residential Accommodation to eligible personnel of all the CAPFs.
- The allotment process is completely automated and done through the online application of allotment.

NSO RELEASES 15TH QUARTERLY PLFS REPORT

Current Context: The 15th quarterly Periodic Labour Force Survey (PLFS) was released by the National Statistical Organization (NSO).

ABOUT

- As per the NSO, the **Unemployment Rate** in India for people in urban areas declined to **7.6%** during Q1 FY23 from 12.6% a year ago.
- The unemployment rate among **males** in urban areas dipped to **7.1%** in Q1 FY23 compared to 12.2% a year ago. Whereas for **females** has fallen to **9.5%** compared to 14.3% last year.
- The **Labour Force Participation Ratio** (LFPR) in Current Weekly Status (CWS) also saw an improvement in urban areas, clocking **47.5%** in Q1 FY23, from 46.8% in Q1 FY22.
- NSO is the statistical wing of the Ministry of Statistics and Programme Implementation (MOSPI) and consists of the Central Statistical Office (CSO), and the National Sample Survey Office (NSSO).
- **Note:** All the above data was calculated by the NSO taking into account the population of 15 years of age and more.

IMF APPROVES A LOAN TO SRI LANKA

Current Affairs: The International Monetary Fund (IMF) and Sri Lanka reached a preliminary agreement on a four-year, \$2.9bn bailout package.

HIGHLIGHTS

- The loan is aimed at restoring economic stability and debt sustainability for Sri Lanka.
- The 48-month program will introduce major tax reforms including broadening the tax base for corporate income tax and VAT and making the income tax more progressive.
- The announcement of the agreement comes at a time when the Headline Inflation rose to 64.3% in August 2022, while Food Inflation soared to 93.7%.
- Sri Lankan currency, the rupee, has also depreciated more than 44% against the USD since January 2022.
- The International Monetary Fund (IMF) is a United Nations agency with its headquarters in Washington DC. It primarily works to foster global monetary cooperation, secure financial stability, and facilitate international trade.

SEBI ISSUES GUIDELINES FOR STOCK BROKERS

Current Context: Capital market regulator, the Securities and Exchange Board of India (SEBI) came out with guidelines for stock brokers providing algorithmic trading services.

KEY FACTS

- As per the SEBI, the objective of the issued guidelines is to prevent instances of "**mis-selling**".
- SEBI has warned the stock brokers who indulged in providing algorithmic-based trading facilities offered by unregulated platforms to remove any such content referring to past or future performance of such an algorithm within a week, i.e. **by 9th September**.
- The market regulatory board also directed stock exchanges to amend their bylaws rules and regulations for the implementation of SEBI's provisions in this regard.
- **Algorithmic Trading** refers to the use of advanced mathematical models that contain automated

execution of the trade to generate results at a superfast pace.

- **Static Part:**

- SEBI is a statutory body that came into existence in **1992 through the SEBI Act, 1992**. Its headquarters is in **Mumbai**. The primary function of the SEBI is to protect the interests of investors in securities and to promote and regulate the securities market. **Madhabi Puri Buch is the current chairperson of the SEBI**.

RBI ISSUED GUIDELINES ON DIGITAL BANKING

Current Affairs: The Reserve Bank of India (RBI) announced the guidelines on digital lending.

KEY POINTS

- The Non-Banking Financial Companies (NBFCs) were given a deadline of **November 30** to put in place a mechanism to ensure that existing digital loans comply with the modified norms aimed at protecting the interest of customers.
- The RBI further said that the new norms will be applicable to both '**existing customers availing fresh loans**' and to '**new customers getting onboarded**'.
- As per the RBI, regulatory entities, like the banks and the NBFCs, have to ensure that **all loan servicing, repayment, etc.,** shall be executed by the borrower directly in the regulatory entities' bank account **without** any pass-through account/ pool account of any third party.
- The guideline also said that it will be the responsibility of the regulatory entities to ensure that in **no case, disbursal** is made to a third-party account, including the accounts of Lending Service Providers (LSPs) and their Digital Lending Apps/Platforms (DLAs).
- **Static Part:**
 - The **RBI was established in 1935 by the Reserve Bank of India Act, 1934**. It is the central bank of India and is responsible for the regulation of the Indian banking system. It has its headquarters in **Mumbai**.

Shaktikanta Das is the current Governor of the RBI.

MARS OXYGEN IN-SITU RESOURCE UTILIZATION EXPERIMENT (MOXIE)

Current Context: Mars Oxygen In-Situ Resource Utilization Experiment (MOXIE) has produced the first instance of the utilization of resources in a planet's atmosphere to meet human needs.

DETAILS

- It was made by the **Massachusetts Institute of Technology (MIT)** and was sent to Mars by **NASA's Perseverance**.
- It produces Oxygen by splitting the captured Carbon Dioxide, similar to the photosynthesis performed by green leaves.
- According to NASA, MOXIE produced six grams of oxygen per hour, similar to a moderate-sized tree.
- The researchers are hopeful that a version of the instrument approximately 100 times larger than MOXIE could potentially create breathable oxygen for future astronauts who visit Mars.
- **Static Part:**
 - **NASA was founded in 1958** with its headquarters in **Washington DC**. It is the central space agency of the US that is responsible for space research and civil space programs.

SUPER TYPHOON HINNAMNOR

Current Context: The strongest global storm of 2022, Super Typhoon Hinnamnor, is barreling in the Western Pacific Ocean and the South China Sea.

ABOUT

- Super Typhoon Hinnamnor originated in the **Western Pacific Ocean** and is expected to affect the southern coast of Japan, the eastern coast of China, and South Korea.
- It has been classified as a **category five cyclone**- the highest classification on the scale, with a speed of the wind over **280 km/h**.

- At present, Japan is witnessing its typhoon season and Typhoon Hinnamnor has been classified as **'violent'** by the meteorological department in Japan.
- **Tropical Cyclone** is an inwardly rotating system of wind with a low-pressure center in tropical areas.
- **Factors affecting tropical cyclones:**
 1. warm water body with a mean temperature of **27 degrees Celcius**
 2. presence of the **Coriolis force**
 3. **low-pressure area**
- **A Tropical Cyclone is named according to the area in which it occurs:**
 1. Hurricane – Atlantic Ocean
 2. Cyclone – Indian Ocean
 3. Willy-Willies – Western Australia
 4. **Typhoon – Western Pacific and the South China Sea**

IAEA ARRIVED AT ZAPORIZHZHIA NUCLEAR POWER PLANT

Current Context: Amidst the ongoing war between Russia and Ukraine, International Atomic Energy Agency (IAEA) visited Ukraine's Zaporizhzhia Nuclear Power Plant (NPP).

KEY HIGHLIGHTS

- It noted that the condition around the NPP was poor due to continuous shelling in the vicinity.
- The head of IAEA, **Rafael Grossi**, said that the ongoing fight possess an unacceptable danger to the site.
- IAEA's Director General also mentioned keeping experts permanently at Zaporizhzhia NPP.
- **Zaporizhzhia Nuclear Power Plant** is located in the **South-Eastern** region of Ukraine.
- It is one of the two nuclear plants, the other being the **Chornobyl Nuclear Power Plant** located in Northern Ukraine.

INDIA OVERTAKES U.K. TO BECOME FIFTH LARGEST ECONOMY IN THE WORLD

Current Context: India has become the world's fifth-largest economy after overtaking the UK.

KEY POINTS

- According to the **Bloomberg** report, India surpassed the UK to become the **5th** largest economy in the world.
- The IMF database and historic exchange rates were taken by Bloomberg as the basis for calculation.
- India now remains just behind the **US, China, Japan, and Germany**.
- According to the report, the Indian economy in '**nominal**' cash terms in Q4 FY22 was **\$854.7 billion**. On the same basis, the U.K. was **\$816 billion**.
- GDP is the value of final goods and services produced within a nation in a specified period. It counts all of the output generated within the boundary of a country.
- **GNP** is the value of goods and services produced by the residents of a nation in a given period.
- **Example:** If an Indian-owned company has a business in the US, the output of this factory would be included in U.S. GDP, but in Indian GNP.

CCRAS 'SPARK' PROGRAM TO SUPPORT INNOVATIVE RESEARCH

Current Context: The Central Council for Research in Ayurvedic Sciences (CCRAS), launched an initiative to support the research efforts of the youth of the nation by developing the Studentship Program for Ayurveda Research Ken (SPARK).

KEY FACTS

- It has been launched for Ayurveda students pursuing BAMS and studying in recognized Ayurveda colleges.
- The scheme aims to support the research ideas of young undergraduate students enrolled in Ayurveda Colleges across India.
- The application process for SPARK Scheme will be completely online.
- The SPARK program is primarily developed to help students develop acumen for research and to further support and incentivize their research ideas.
- CCRAS is an autonomous body under the Ministry of AYUSH. It is an apex body in India for undertaking, coordinating, developing, and promoting research on scientific lines in Ayurvedic Sciences.

INS VIKRANT COMMISSIONED

Current Context: The commissioning of India's first Indigenous Aircraft Carrier (IAC-1) into the Navy as INS Vikrant was completed.

DETAILS

- **INS Vikrant** is the first ever aircraft carrier to be indigenously designed and constructed by India which will strengthen India's capability to operate over deep seas.
- India has joined countries like the **US, Russia, France, the UK, and China**, who are capable of designing and constructing aircraft carriers.
- With a **43,000-ton** loading capacity, INS Vikrant is the seventh largest carrier in the world.
- INS Vikrant was the **oldest** aircraft carrier which was officially laid down in **1943**.
- After its decommissioning in the **1990s**, the plan for building an indigenous aircraft carrier was made.

JUSTICE DY CHANDRACHUD
EXECUTIVE CHAIRPERSON OF NALSA

Current Context: The President of India, Draupadi Murmu, nominated Supreme Court judge Justice DY Chandrachud as the next executive chairperson of the National Legal Services Authority (NALSA).

ABOUT

- **Justice Chandrachud** was nominated as Justice UU Lalit, who was the **Executive Chairperson** of the NALSA and became the 49th Chief Justice of India (CJI).
- Justice Chandrachud is next in line, after UU Lalit, to become the **50th CJI**.
- Justice Chandrachud has also served as the Chief Justice of the Allahabad High Court and a judge of the Bombay High Court, before being elevated as a judge of the Supreme Court.
- NALSA was constituted under the **Legal Services Authorities Act, 1987** to provide free Legal Services to the weaker sections of society and to organize Lok Adalats for settlement of disputes.
- The senior-most judge of the SC, i.e., the CJI (presently **Justice UU Lalit**), is the **Patron-in-Chief** of

NALSA while the second senior-most judge of the SC (presently **Justice DY Chandrachud**) is the **executive chairperson** of NALSA.

STATUE OF VIVEKANANDA UNVEILED IN MEXICO

Current Context: Lok Sabha Speaker, Om Birla unveiled the statue of Swami Vivekananda at the Autonomous University of State of Hidalgo in Mexico.

HIGHLIGHTS

- It is the first-ever statue of Swami Vivekananda in **Latin America**.
- At the event, the Speaker said that the teachings of Swami Vivekananda have not only inspired India but the world.
- In **1893**, Swami Vivekananda delivered a memorable speech in the **World's Parliament of Religion** in Chicago, where he beautifully displayed the characteristics of Indian culture.
- He started the **Ramakrishna Mission** in **1897** in memory of Swami Ramakrishna Paramahansa, whom he considered his spiritual Guru.
- In his visit to Mexico, Birla also unveiled a bust of freedom fighter **Dr. Pandurang Khankhoje** at Chapingo University in Mexico, which is the oldest agricultural university in Latin America.

BLUE ENERGY MOTORS LAUNCHED 1ST LNG GREEN TRUCK

Current Context: Blue Energy Motors unveiled India's first **Liquified Natural Gas (LNG)-fuelled Green Truck**.

KEY POINTS

- Minister of Road Transport and Highways, **Nitin Gadkari**, inaugurated the manufacturing plant at **Chakan, Pune**.
- The Company, in its statement, said that the LNG-fuelled trucks will be **long-haul, heavy-duty** trucks.
- Recently, Blue Energy Motors also signed an agreement with **FPT Industrial**.
- FPT Industrial will provide the engines generating high torque, which will make these trucks deliver the best **Total Cost of Ownership (TCO)** and will

guarantee comfort and safety for the drivers for long hauls.

- At the inauguration ceremony, Union Minister Gadkari added that LNG is an **economically viable** and **cost-effective** fuel and it will reduce the overall logistical costs involved in transport.
- Liquified Natural Gas is a **non-toxic, colorless** gas that is formed when the natural gas is cooled to a **negative of 162 deg Celcius**. The cooling is done to shrink the gas nearly **600 times** which makes it safer and easier to transport as in its liquified state, it doesn't ignite. The primary constituent of LNG is **Methane** with some mixture of Ethane.

RBI TO DIGITIZE KCC

Current Context: The Reserve Bank of India (RBI) announced taking up a pilot project for end-to-end digitization of the Kisan Credit Card (KCC).

KEY FACTS

- The main objective of the project is the **digitalization** of KCC lending.
- With the automation of the processes involved, RBI aims to make lending, cost-effective and efficient for borrowers by reducing the **turnaround time**.
- The project will be launched as a pilot in the states of **Madhya Pradesh** and **Tamil Nadu** and it will gradually expand across the country.
- The concept of rural credit is closely linked to **inclusive economic growth**, as it caters to the requirements of agriculture and allied sector along with non-farm activities viz. ancillary industries, small businesses, etc.
- The KCC scheme was launched in **1998** on the recommendations of the **R. V. Gupta Committee** to issue farm loans to farmers based on their land holdings. The objective behind the scheme was to provide farmers with **short-term credit** for buying agricultural inputs such as seeds, fertilizers, pesticides, etc., and draw cash for their production needs. In **2004** the scheme was extended to allied and non-farm activities too.

30TH SOUTHERN ZONAL COUNCIL

Current Context: Minister of Home and Cooperation, Amit Shah, chaired the 30th Southern Zonal Council meeting in Thiruvananthapuram, Kerala.

DETAILS

- The meeting was attended by the Chief Ministers of Kerala (**Pinarayi Vijayan**), Karnataka (**Basavaraj Bommai**), Tamil Nadu (**M K Stalin**), the Lieutenant Governors of Puducherry (**Tamilisai Soundararajan**), Andaman and Nicobar Islands (**Admiral D K Joshi**), the Administrator of Lakshadweep (**Praful Patel**), Chief Secretaries of Southern Zonal Council States, Union Home Secretary, Secretary Inter-State Council Secretariat and other Senior officials of State and Central Ministries and Departments.
- After the meeting, Shah said that out of the 26 issues discussed, 9 were resolved and 17 were reserved for further consideration.
- The main issues that were discussed in the meeting include:
 - Issues related to **Fisheries** and the importance of Pradhan Mantri Matsya Sampada Yojana.
 - Issues related to **Narcotics** and QR-enabled PVC Aadhar cards were given to more than 12 lakh fishermen for recognition.
 - Inter-state water disputes**
 - Sagarmala Project**
- Zonal Councils are **statutory bodies** established under the **State Reorganization Act of 1956**. There are **five** Zonal Councils (ZCs), namely, **Northern ZC, Southern ZC, Eastern ZC, Western ZC**, and Central ZC. Union **Home Minister** is the Chairperson of all these Councils.
- Note: North-Eastern Council** was created by the **North-Eastern Council Act of 1971** and is different from the above-mentioned five "Zonal Councils".

INDUSIND AND ADB JOIN HANDS

Current Context: IndusInd Bank has inked an agreement with the Asian Development Bank (ADB) to offer MSMEs with Supply Chain Financing.

ABOUT

- The Bank said, it has entered into a partial guarantee program with the ADB with an initial outlay of **\$70 million (Rs 560 crore)**.
- ADB will provide a partial guarantee to lenders as it will cover non-payment by the borrower on the guaranteed portion of the principal and interest due.
- This collaboration will tend to improve the Bank's MSME portfolio along with strengthening its existing strategies for the sector.
- ADB is a regional development bank that was established in **1966** with 31 members that came together to serve a predominantly agrarian region. India was one of the founding members of the ADB. It presently has **68 members** of which 49 are from within Asia and the Pacific and 19 outside it. Its headquarters are in **Manila**, the Philippines.
- IndusInd Bank is a private-sector bank that was established in 1994. It has its headquarters in **Mumbai**.

ISRO TESTS INFLATABLE AERODYNAMIC DECELERATOR

Current Context: Indian Space Research Organization (ISRO) successfully tested the Inflatable Aerodynamic Decelerator (IAD).

KEY HIGHLIGHTS

- The technology will be useful in landing payloads on Mars and Venus in the upcoming space missions.
- The IAD was designed and developed by the **Vikram Sarabhai Space Centre (VSSC)** which is located in Thiruvananthapuram, Kerala.
- It was successfully tested in a **Rohini Sounding Rocket** from the **Thumba Equatorial Rocket Launching Station (TERLS)**.
- The Inflatable Aerodynamic Decelerator was folded and kept inside the payload before it inflated at an altitude of **84 kilometers** and descended through the atmosphere.
- ISRO is the national space agency of India which was established in 1969 with its headquarters in **Bengaluru**. It comes under the aegis of the **Department of Space** and is directly overseen by the Prime Minister of India. **S. Somnath** is the current **chairperson** of the ISRO.

- The external debt to GDP ratio was **19.9%** while the forex reserves to external debt ratio stood at **97.8%**.
- Over 80%** (USD 499.1 billion) of the external debt accounted for the long-term debt while the short-term debt remained **below 20%** (USD 121.7 billion).
- The NRI deposits declined by **2%** to USD 139 billion and Commercial Borrowings grew **by 5.7%** to USD 209.71 billion.

PM ANNOUNCES LAUNCH OF PM-SHRI FOR UPGRADATION OF 14,500 SCHOOLS ACROSS INDIA

Current Context: On this year's Teachers' Day, Prime Minister Modi launched the Pradhan Mantri Schools for Rising India (PM-SHRI) Yojana.

KEY FACTS

- It is a **centrally-sponsored scheme** for the upgradation and development of more than 14,500 Schools across the nation.
- The schools which are managed by the Central or State Governments will be selected and efforts will be made to strengthen them.
- Along with cognitive learning, efforts will be made to make schools create an environment that will help children to become well-rounded individuals equipped with key skills. This will help in realizing the goals of the National Education Policy (NEP) 2020.
- In the foundational years, the pedagogy will be flexible, inquiry-driven, and discussion based which will assist children in their holistic development.
- These schools will be equipped with smart classrooms, laboratories, and libraries, along with water-harvesting and waste-management infrastructure.

CHINA'S AD5-NCOV VACCINE

Current Context: China's CanSino Biologics Inc. developed the world's first needle-free COVID-19 Vaccine which can be inhaled.

DETAILS

- **CanSino's Ad5-nCoV** Vaccine was given approval by China's National Medical Products Administration for emergency use as a booster vaccine.
- Ad5-nCoV is the latest version of CanSino's one-shot Covid drug which was used by **China, Pakistan, Hungary, Mexico, and Malaysia** after it was rolled out in February 2021.
- CanSino said that the **inhaled version** of the vaccine will trigger cellular immunity by stimulating antibodies in nasal and airway tissues to defend against COVID-19.
- Many companies around the globe are researching the possibility of needle-free vaccines for other preventable diseases as they could appeal to vaccine-hesitant people.
- **Covaxin** is only India's indigenous COVID-19 vaccine which was developed by **Bharat Biotech** in collaboration with the Indian Council of Medical Research (ICMR).

UCI MTB ELIMINATOR WORLD CUP IN LADAKH

Current Context: The first edition of the Mountain Biking World Cup, the UCI MTB Eliminator World Cup, was organized in Leh, Ladakh.

ABOUT

- It was organized by the **Ladakh Police** in collaboration with the **Cycling Association of India**, and the **Administration of Ladakh**.
- The knockout lap was a **500-meter-long track** with artificial obstacles and sharp turns.
- The event which was held at **12000 ft.** above sea level, saw the participation of **twenty international, fifty-five national, and local cyclists**.
- **German cyclists** stood first in both, men's and women's categories.
- Some of the other important cycling tournaments include **Tour de France, World Road Championship**, etc.

INDIA'S FIRST INTRA-NASAL VACCINE FOR COVID-19

Current Context: The Central Drugs Standard Control Organisation (CDSCO) approved Bharat Biotech's ChAd36-SARS-CoV-S COVID-19 recombinant nasal vaccine.

HIGHLIGHTS

- It will be used in cases of emergency for the **18+ age group**.
- The vaccine – **iNOVACC** – is stable at **2-8 degrees Celsius** for easy storage and distribution.
- iNOVACC is a **recombinant replication-deficient adenovirus vector** (Chimpanzee Adenovirus Vectored) vaccine with stabilized spike protein.
- The **Phase I, II, and III trials** of the needle-free vaccine, iNOVACC, have already been completed.
- iNOVACC has been specially formulated to allow intra-nasal delivery through nasal drops and could appeal to vaccine-hesitant people.
- **Bharat Biotech International Limited** is a multinational biotechnology company in India that was founded in **1996** and has its headquarters in **Hyderabad**. **Dr. Krishna Ella** is the **Chairperson** and Managing Director of Bharat Biotech. The only indigenous "needle" vaccine of India, **Covaxin**, has been developed by Bharat Biotech.

COUNTER RANSOMWARE EXERCISE BY INDIA AND THE UK

Current Context: India and the UK conducted Counter Ransomware Exercise for 26 countries.

KEY POINTS

- The **National Security Council Secretariat (NSCS)** of India and the **United Kingdom Government** in collaboration with **BAE Systems** successfully conducted the Cyber Security Exercise for 26 nations.
- The Exercise has been conducted as part of the **International Counter Ransomware Initiative-Resilience Working Group** which is being led by India's National Cyber Security Coordinator (NCSC).

- The theme of the Exercise was focused on the **Energy Sector** in which the respective National Cyber Crisis Management Teams of the CRI Partner Nations had to deal with ransomware attacks on multiple electricity discoms.
- The objective behind organizing Cyber Exercise on Ransomware Resilience was to simulate widespread cyber security incidents affecting organizations within a country.
- National Cyber Security Coordinator (**NCSC**) is the Agency Executive of the National Cyber Coordination Centre (NCCC) and is responsible for formulating the National Cyber Security Strategy at the National Security Council Secretariat (**NSCS**). **Lt. Gen. Rajesh Pant (Retd.)** is the current National Cyber Security Coordinator.

- A total of **38 features and benefits** are being offered by the Reliance Health Gain Policy.
- The policy also has a feature through which the beneficiaries can **customize and personalize** the policy as per their needs.
- It offers 3 plans:
 1. **Plus Plan**- A maximum of 2 adults and 6 children are covered.
 2. **Power Plan**- A maximum of 4 adults and 6 children are covered.
 3. **Prime Plan**- A maximum of 6 adults and 6 children are covered.
- **Reliance Health Gain Policy** was launched by Reliance General Insurance in May **2022** with an aim to enhance insurance penetration within the country. **Ravi Vishwanath** is the current CEO of Reliance Health Insurance.

DR. JITENDRA SINGH LAUNCHES "SWACHHTA" PORTAL

Current Context: Minister of State in the **Ministry of Personnel, Public Grievances and Pensions of India**, **Dr. Jitendra Singh**, launched the "Swachhta" portal dedicated to cleanliness and reducing the pendency of work in government offices.

KEY POINTS

- The "**Swachhta**" portal has been developed by the **Department of Administrative Reforms and Public Grievances (DARPG)**.
- The portal was launched as part of the special **Swachhata Campaign 2.0** which will begin on **October 2**.
- All the **central ministries, central departments, and all other attached and subordinate, and autonomous bodies** of the Government of India (GOI) will take part in the Swachhta Campaign 2.0.
- According to the Ministry, in 2021 during the first phase of the campaign, **6000 sites** were covered for

cleanliness purposes, which is likely to touch **100,000** in 2022.

- At the inaugural event, Dr. Jitendra also said that the campaign this year reiterates the importance of timely disposal of work and a clean workspace and is expected to cover more than **1.5 lakh post offices, railway stations, overseas missions or posts, and other public offices.**

RBI ALLOWS BBPS TO PROCESS CROSS-BORDER INBOUND REMITTANCES

Current Context: The Reserve Bank of India (RBI) decided to allow the **Bharat Bill Payment System (BBPS)** to process cross-border inbound remittances.

DETAILS

- The direction was issued under **Section 10(4)** and **Section 11(1)** of the **Foreign Exchange Management Act (FEMA), 1999.**
- From now on, foreign inward remittances received under the **Rupee Drawing Arrangement (RDA)**, will need to be transferred to the KYC-compliant bank account of the beneficiary through **Bharat Bill Payment System (BBPS).**
- Before this approval by the RBI, foreign inward remittances received under RDA could be transferred to the KYC-compliant beneficiary's bank account through electronic mode, viz., **National Electronic Fund Transfer (NEFT), Immediate Payment Services (IMPS).**
- RDA is a channel to receive cross-border remittances from foreign jurisdictions. Under this, the **Authorized Category I** banks enter into tie-ups with the non-resident **Exchange Houses** in the FATF-compliant nations to open and maintain their **Vostro Account.**
- **Vostro** is a Latin word meaning "**yours**". A **Vostro Account** is an account that a correspondent bank holds on another bank's behalf. This account acts as a way for domestic banks to access the financial services of a foreign bank.

INDIA SLUMPED TWO RANKINGS IN GLOBAL CRYPTO ADOPTION INDEX 2022

Current Context: According to the **Global Crypto Adoption Index 2022**, in a list of 20 countries, India dropped two slots to fourth place.

ABOUT

Current Context: Credit Suisse, in its Global Wealth Report 2022 observed that global wealth saw a **Year-on-Year (YoY) growth of 9.8%** at USD 463.6 trillion in 2021.

KEY POINTS

- According to the Global Wealth Report 2022, India witnessed a 12% YoY growth in total household wealth at **USD 14,225 billion in 2021.**
- The Report also forecasted that the **number of millionaires in India in 2021 (7.96 lakhs)** will double in 2026 (16.32 lakhs).
- The report also suggested that the income inequality in India was highest during the **COVID-19 pandemic i.e. 2020** and remained constant in 2021.
- It mentioned that the **Gini Coefficient rose to a massive 82.3 in 2020** and remained the same in 2021. The Gini Coefficient of China for 2021 was 70.1.
- **Gini Coefficient or Gini Index** is a measure of inequality based on the Lorenz Curve (proportion of overall income assumed by the cumulative share of the people) and was developed by the statistician Corrado Gini. The Index is expressed from **0 (or Gini Score 0) to 1 (or Gini Score 100).** The higher the Index/Score, the higher will be income inequality.
- Credit Suisse is a global investment bank and financial services company that was founded in 1856 with its headquarters in **Zurich, Switzerland.** The current CEO of the company is Ulrich Körner.

UPI PAYMENTS THROUGH RUPAY DEBIT CARDS

Current Context: The **National Payments Corporation of India (NPCI)** launched the **Unified Payments Interface (UPI)** payments via credit cards on the RuPay network.

DETAILS

- The step came after the **Reserve Bank of India (RBI)** permitted the linking of UPI to credit cards in June 2022.
- In this facility, the **RuPay credit cards will be linked to a UPI ID** or a Virtual Payment Address (VPA) to facilitate payments in an offline mode.
- The bank accounts and debit cards have already been linked to the UPI, this step will link the RuPay debit cards as well.
- Following banks were given the opportunity to go live with **UPI on RuPay credit cards via the BHIM App**:
 1. Punjab National Bank,
 2. Union Bank of India, and
 3. Indian Bank
- **Federal Bank (India) and Lulu Exchange (UAE)** were given the permit to go live with **Bharat Bill Payment System (BBPS)** cross-border bill payments.
- UPI is a real-time payment system in India that was developed and launched by the **NPCI in 2016 under the Digital India campaign**.
- RuPay is a multinational card payment network that provides financial services and payment service systems. It was developed and launched by the **NPCI in 2012**.

MEDICAL DEVICES (AMENDMENTS) RULES 2022

Current Context: The Government of India (GoI) notified the **new Medical Devices Rules as the Medical Devices (Amendment) Rules, 2022**.

ABOUT

- According to the Rules, all class 'A' medical device manufacturers have to register themselves through an online portal established for the purpose.
- According to the 1st Schedule of the Rules, the manufacturer will be required to give an undertaking stating that the proposed device is a **class A medical device (non-sterile and/or non-measuring)**.
- The Rules further stated that the importer of medical devices will have to give an undertaking too, stating that the proposed device is a **class A medical device**.

- The records of manufacturing, import, along with sales, and distribution will have to be maintained by both, the manufacturer and the importer.
- **Class 'A' medical devices (Nasopharyngeal Catheter, Umbilical Occlusion Device, Alcohol Swabs, etc.)** are those with low-to-moderate risk to the patients.

BHARAT VIDYA: E-LEARNING PLATFORM

Current Context: Finance Minister, Nirmala Sitharaman, launched an e-learning platform, Bharat Vidya.

HIGHLIGHTS

- **Bharat Vidya** is a first-of-its-kind online learning platform that is dedicated to **Indology, South Asian, and Oriental studies**, related to art, architecture, language, philosophy, etc.
- It is designed and developed by the **Bhandarkar Oriental Research Institute (BORI)** and will offer six courses:
 1. Veda Vidya
 2. Bharatiya Darshanshastra
 3. Fundamentals of Archaeology
 4. Sanskrit Learning
 5. 18 Parvas of Mahabharata
 6. Works of Kalidasa and Bhasha
- BORI will collaborate with **Indian and foreign** universities for awarding credits for its courses.
- At the inaugural event, Sitharaman said that the courses offered complied with the **New Education Policy (NEP) 2020**.
- **BORI** was established in **1917** in **Pune**, Maharashtra, and is known as one of the largest collectors of manuscripts in Sanskrit and Prakrit languages, and rare books.

REVISED GRADED RESPONSE ACTION PLAN

Current Context: Delhi will implement the revamped Graded Response Action Plan from 1st October 2022.

KEY FACTS

- The **Graded Response Action Plan (GRAP)** is a set of actions taken to reduce air pollution in Delhi-NCR, depending on the current level of pollution.
- The directions to implement the revised GRAP were issued by the **Commission for Air Quality Management (CAQM)**, according to which the plan will come into force from **October 1, i.e. 15 days before** the usual date.
- This step was taken after the **change and drop in the wind speed** which might result in the building of pollutants.
- The GRAP has been classified under **4 stages** of air quality in Delhi-NCR:
 1. **Stage I – ‘Poor’ (AQI 201-300)**
 2. **Stage II – ‘Very Poor’ (AQI 301-400)**
 3. **Stage III – ‘Severe’ (AQI 401-450)**
 4. **Stage IV – ‘Severe Plus’ (AQI >450)**
- The revised GRAP is part of a new policy formulated by the **Commission for Air Quality Management (CAQM)** to curb air pollution in Delhi-NCR.

FIRST AUTO INDEX FUND

Current Context: ICICI Prudential Mutual Fund launched India's first auto index fund, the ICICI Prudential Nifty Auto Index Fund.

KEY POINTS

- The objective behind the launch of the **ICICI Prudential Nifty Auto Index Fund** is to give investors an opportunity to earn from the expected growth in the automobile, and e-Vehicle sectors.
- The NIFTY Auto Fund Offer (AFO) opened on **22nd September 2022** and will close on **6th October 2022**.
- The index is devised using the **free float market capitalization** method and comprises **fifteen listed companies** and auto-related sectors.
- **Free float market capitalization** is a method by which the market capitalization is calculated by multiplying the **equity's price** by the number of **shares available, excluding** shares held by the **promoters**.
- **ICICI Prudential Mutual Fund** is India's asset management company that was established in **1993** with its headquarters

in **Mumbai**, Maharashtra. The current MD & CEO of the company is **Nimesh Shah**.

PLI SCHEME FOR MANUFACTURING OF SEMICONDUCTOR

Current Context: The Union Cabinet, chaired by PM Modi approved modifications in the Production-Linked Incentive (PLI) scheme "Programme for Development of Semiconductors and Display Manufacturing Ecosystem in India".

DETAILS

- To advise and suggest the required modifications for the **India Semiconductor Mission**, an Advisory Committee comprising experts from industry and academia was constituted.
- The following modifications were approved by the Cabinet:
 1. For all technology nodes, the Government of India (GoI) will provide financial support of **50% of Project Cost** on a **pari-passu basis** (at the same rate) under Scheme for Setting up **Semiconductor Fabs** in India.
 2. Under the Scheme for Setting up **Display Fabs**, fiscal support of **50% of Project Cost** on a pari-passu basis will be provided by the GoI.
 3. GoI will provide financial support of **50% of Capital Expenditure** on a pari-passu basis under Scheme for Setting up of **Semiconductor ATMP /OSAT /Compound Semiconductors /Sensors Fab, and Silicon Photonics** facilities in India.
 4. The GoI also raised financial support for compound semiconductors from **30% to 50%**, modifying the incentives to **USD 10 billion** (Rs. 76,000 crores).
- The **India Semiconductor Mission (ISM)** was launched by the **Ministry of Electronics and IT (MeitY)** in **2021** as a nodal agency for the development of the semiconductors and display manufacturing ecosystem in India.

GOVERNMENT SIGNS MOU TO EXPAND SPARSH INITIATIVE

Current Context: The GoI's Defence Accounts Department (DAD) inked a Memorandum of Understanding (MoU) with the Bank of Baroda (BoB) and HDFC Bank, to expand the

System for Pension Administration (Raksha) (SPARSH) Initiative.

ABOUT

- In order to provide last mile connectivity to pensioners, the MoU will onboard around **7,900 branches of Bank of Baroda** and **6,300 branches of HDFC Bank** as **Service Centres**.
- According to the Ministry, the Service Centres will act as an interface for SPARSH and provide an effective medium for pensioners to **register grievances and seek redressal, perform profile update requests, pensioner data verification, digital annual identification**, etc. regarding their monthly pension.
- The Ministry mentioned that the centers would further expand the existing network of **161 DAD offices** and around **800 Service Centres** provided by the **SBI** and the **PNB** branches, and **14 branches** of the **Kotak Mahindra Bank**.
- The Ministry also said that, as part of the **Common Service Centres (CSC)** network, around **4.5 lakh Village Level Entrepreneurs (VLEs)** will assist Defence Pensioners.
- **SPARSH** is a web-based system for **crediting the pension** directly into the bank accounts and **processing the pension claims** of defence pensioners without any external intermediary and was launched by the **Ministry of Defence** in **2021**.

INTERNATIONAL CONFERENCE ON CONSCIOUSNESS

Current Context: An international conference, “Exploring Consciousness Non-duality to Non-Locality: A Man-Machine Debate”, was inaugurated by the Union AYUSH Minister, Sarbananda Sonowal.

HIGHLIGHTS

- The international conference was organized at the **National Institute of Mental Health and Neuro-Sciences (NIMHANS)**, Bengaluru.
- The conference was conducted by the **India Foundation**, in collaboration with **NIMHANS** and was supported by the **Ministry of AYUSH**.

- The primary objective of this international conference was to bring together eminent **researchers, scholars, and inventors in the fields of Physics, Neuroscience, Biology, and Artificial Intelligence (AI)**, on a single platform.
- While attending the event at the NIMHANS, Minister of AYUSH Sonowal also inaugurated the **Center of Excellence (CoE)** project as a part of the “**Ayurswasthya Yojana**”.
- The main aim of the CoE will be to conduct **clinical trials in neuropsychiatric disorders** and to establish the safety, efficacy, and proposed mechanism of **Integrated Yoga and Ayurveda (IYAM)** treatment principles.
- NIMHANS was established in 1925 in Bengaluru, Karnataka, and is the apex center for neuroscience and mental health education. The current Director of NIMHANS is Dr. Pratima Murthy.

FIRST CONSIGNMENT OF PLANT-BASED MEAT PRODUCTS EXPORTED

Current Context: India exported its first consignment of plant-based meat products from Nadiad (Kheda District), Gujarat to California, USA.

KEY FACTS

- The export was facilitated by the **Agricultural and Processed Food Products Export Authority (APEDA)**.
- The first consignment contained **5000 kg** of plant-based meat under the National **vegan food category**.
- According to the **Ministry of Commerce and Industry**, the consignment consisted of hot and **spicy strips, mini samosas, spring rolls, momos, grilled patty, and nuggets** among other products.
- The **logistical support** for the production of plant-based meat products was provided by the **Kheda District Administration**.
- **Plant-based** meat products are directly obtained from plants with **soybeans, quinoa, legumes, peas, etc. being the main ingredients**.
- These products have **lesser cholesterol content** and are **rich in fiber content**, which makes them very popular in high-income/developed countries.

- **APEDA** is a government body responsible for the export of agricultural and processed food products and was established in **1986** with its headquarters in **New Delhi**. The current **Chairperson of APEDA** is **Dr. M Angamuthu**.

NCC AND UNEP SIGN MOU

Current Context: The National Cadet Corps (NCC) and United Nations Environment Programme (UNEP) inked a Memorandum of Understanding (MoU) to tackle the issue of plastic pollution.

KEY POINTS

- The primary objective of the collaboration is to end plastic pollution and achieve the universal goal of clean water bodies through the **“Tide Turners Plastic Challenge Programme”** and **“Puneet Sagar Abhiyan”**.
- The MoU was signed between Resident Representative, UN World Food Programme **Bishow Parajuli** and **Director-General NCC Lt. Gen. Gurbirpal Singh**.
- The **three-year** agreement aims at consolidating, detailing, and developing cooperation and effectiveness to achieve sustainability in the field of environment.
- The **Puneet Sagar Abhiyan** is a pan-India campaign to raise awareness regarding plastic pollution and to make the seas and rivers of India plastic free. It was launched by **NCC in 2021**.
- The **Tide Turners Plastic Challenge Programme** is a global movement to curb plastic pollution which was launched by the **UNEP in 2019**.

COLLABORATION BETWEEN TERRAPAY AND NIPL

Current Context: The Netherlands payment infrastructure company, TerraPay joined hands with India's NPCI International Payments (NIPL) to facilitate cross-border transactions for Indian consumers and merchants.

DETAILS

- The making and acceptance of these cross-border payments will be facilitated by an **active Unified Payments Interface (UPI) ID**.
- The Indian Customers with an active UPI ID can transact at the **Quick Response (QR) locations which will be enabled globally by TerraPay**.
- The collaboration between the NIPL and TerraPay is aimed at boosting the **usage of UPI Applications across the world and further pushing for a cashless digital drive in India**.
- **Terra Payment Services (TerraPay)** is a cross-border payments company that was founded in **2015** with its headquarters in **Amsterdam, Netherlands**. The **current CEO** of the company is **Ambar Sur**.
- NIPL is an international arm of the **NPCI** that was established in **2020** with its headquarters in **Mumbai, Maharashtra**. The **current CEO** of the NIPL is **Ritesh Shukla**.

MOU BETWEEN TATA GROUP'S AIRLINES AND CSIR-IIP

Current Context: Tata Group's airlines- Air India, Vistara, and Air Asia India, signed a Memorandum of Understanding (MoU) with the Council of Scientific and Industrial Research-Indian Institute of Petroleum (CSIR-IIP).

ABOUT

- The primary objective of this agreement is to work together on **research & development (R&D)**, and **deployment of Sustainable Aviation Fuels (SAFs)**.
- **SAFs** are made from sustainable resources, such as **agricultural wastes, forestry, and used cooking oil** that can be blended with fossil jet fuel to reduce emissions.
- In order to achieve carbon neutrality, the focus of the MoU will be on **Single Reactor Hydro-processed Esters and Fatty Acids HEFA (Fuel) Technology for Drop-in Liquid Sustainable Aviation and Automatic Fuel (DILSAAF)**.
- The MoU is in line with the pledge made by the **International Air Transport Association (IATA)** to achieve net-zero carbon emissions from

their operations by **2050** in line with the **Paris Climate Agreement**.

- **CSIR-IIP** was established in **1960** in **Dehradun**, Uttarakhand, and is dedicated to research and development in the hydrocarbon sector. The current **Director** of the institute is **Dr. Anjan Ray**.

TOURISM MINISTER LAUNCHED “SYMPHONE”

Current Context: Minister for Development of North Eastern Region (DoNER), Tourism & Culture G. Kishan Reddy launched the two-day virtual conference “SymphoNE”.

KEY HIGHLIGHTS

- **SymphoNE** is a series of dialogues on the **North Eastern Region's Development Conference** comprising **policy thinkers, influencers, and stakeholders** with the aim to boost the **Tourism Sector** in the North Eastern Region.
- The Virtual Conference is being organized on the **24th and 27th of September 2022** by the **Ministry of DoNER** on the occasion of World Tourism Day (27th September).
- **SymphoNE** is launched with the objective to develop a one-stop solution to eliminate all hurdles faced by the tourists, and the tour operators, **spreading awareness** about the locations among the tourists, and **marketing/promotional activities**.
- The aim of the conference is to showcase the **uncharted beauty** of the North East and boost the tourism Sector in the region.
- Speaking at the inaugural event, **Minister Reddy** said that North East India was a rare combination of **unique cultures, scenic beauty, and natural resources** and termed it the “**Traveler's Unexplored Paradise**”.

BPCL SIGNS AN AGREEMENT WITH PETROBRAS

Current Context: Bharat Petroleum Corporation Limited (BPCL) signed a Memorandum of Understanding (MoU) with Brazilian oil firm Petrobras.

KEY FACTS

- The primary objective behind the agreement is to **diversify crude oil sourcing** for energy security in India.
- With an aim to procure equity oil overseas, **Bharat Petro Resources Ltd. (BPRL)** will invest **USD 1.6 billion** to develop the oil block in **Brazil**. The production from this block is expected from **2026-27**.
- In order to strengthen ties with Brazil in the energy sector, the **Cabinet Committee on Economic Affairs (CCEA)** approved an additional investment of **USD 1.6 billion (Rs. 12,000 crores)** by BPRL for the development of the **BM-SEAL-11 Concession Project** in Brazil.
- **BPRL** will have **40% participating interest (PI)** in this concession and **Petrobras**, as the operator will have **60% PI**.
- **BPCL** is a government-owned oil and gas explorer and producer and was established in **1952** with its headquarters in **Mumbai**, Maharashtra. The current Chairperson and MD are **Arun Kumar Singh**.
- **BPRL** is a subsidiary of BPCL and was founded in **2006** with the objective of carrying out exploration and production activities at a faster pace. The current Director of BPRL is **K Padmakar**.
- **Petróleo Brasileiro S.A. or Petrobras** is a Brazilian multinational petroleum industry and was established in **1953** with its headquarters in **Rio de Janeiro**. The current CEO of the company is **Caio Mário Paes de Andrade**.

NATIONAL CONFERENCE OF ENVIRONMENT MINISTERS

Current Context: Prime Minister Narendra Modi inaugurated the National Conference of Ministers of Environment, Forest, and Climate Change in Ekta Nagar, Gujarat.

KEY POINTS

- The **two-day** conference witnessed the participation of the Ministers of Environment, Forest, and Climate Change from all across the nation.
- The conference had **six thematic sessions**:
1. Lifestyle for the Environment (LiFE)

2. PARIVESH (Pro-Active and Responsive facilitation by Interactive and Virtuous Environment Single-window Hub)
 3. Forestry Management
 4. Prevention and Control of Pollution
 5. Wildlife Management
 6. Plastics and Waste Management
- At the inaugural event, **PM Modi** remarked that India was acting as a guiding force in the field of **renewable energy**, for other countries of the world.
 - He further iterated the **2070 net-zero target** and emphasized the concept of **green growth** and **green jobs**.
 - India's abundant richness in biodiversity with its **biodiversity hotspots, bio-geographic zones, sixteen forest types, 54733 floral, and 103258 faunal species** was also highlighted during the session.

MICROPROCESSOR-CONTROLLED SMART LIMBS

Current Context: The Indian Space Research Organization (ISRO) developed a 1.6kg Microprocessor-Controlled Knees in the Vikram Sarabhai Space Centre (VSSC), Thiruvananthapuram, and Kerala.

DETAILS

- **Microprocessor-Controlled Knees (MPKs)** will assist the above-knee amputees to walk with a comfortable gait.
- According to ISRO, the MPKs will offer **extended capabilities** to the amputees in comparison to the passive limbs which come without the **microprocessors**.
- The MPKs are being developed with a partnership between the **VSSC, and Pt. Deendayal Upadhyaya National Institute for Persons with Physical Disabilities**, the **National Institute for Locomotor Disabilities (NILD)**, and the **Artificial Limb Manufacturing Corporation of India (ALIMCO)**.
- Currently, the MPKs are **imported** into the country and cost between **Rs. 10 lakhs- Rs. 60 lakhs**. **ISRO** aims to make the indigenous MPKs

commercially viable by bringing their cost down to **Rs. 4 lakhs- Rs. 5 lakhs**.

- The MPK consists of a **microprocessor, load and knee angle sensors, a hydraulic damper, a lithium-ion battery, a composite knee case, an electrical harness, and interface elements**.

AVALANCHE MONITORING RADAR

Current Context: The Indian Army and the Defence Geoinformatics and Research Establishment (DGRE) jointly installed the Avalanche Monitoring Radar (AMR) in Sikkim.

HIGHLIGHTS

- The radar was inaugurated by **Lieutenant General Tarun Kumar Aich**, General Officer Commanding of Sukna-based 33 Corps at the forward posts of the Army at an altitude of **15,000 ft.** in North Sikkim.
- The AMR has the capability to detect avalanches within **3 seconds** of their trigger and will act as a life saviour for troops along with reducing damage to property in high-altitude areas.
- The AMR can permanently scan the targeted slope for avalanche release and can see through **snow, and fog** as well as at the **night**, making it an **all-weather solution**.
- The radar is also equipped with an **alarm system, and warning measures**, and **enables automatic control** to deal with an avalanche emergency.
- The radar has been designed and developed by the **Defence Geo-informatics and Research Establishment (DGRE)**.
- **DGRE** is a one-of-its-kind laboratory which is involved in forecasting and mitigation of avalanche hazards, under the **Defence Research Development Organisation (DRDO)** and was established in **2020** by merging the **Snow & Avalanche Study Establishment (SASE)** and **Defence Terrain Research Laboratory (DTRL)**. The headquarters of DGRE is in **Chandigarh**.

AROGYA MANTHAN 2022

Current Context: Minister of Health and Family Welfare (MoHFW), Dr. Mansukh Mandaviya inaugurated the two-day long Arogya Manthan 2022 program.

KEY FACTS

- The inauguration of **Arogya Manthan** marked the completion of **four years** of **Ayushman Bharat Pradhan Mantri Jan Arogya Yojana (AB PMJAY)** and **one year** of **Ayushman Bharat Digital Mission (ABDM)**.
- The inaugural event witnessed the presence of the **Minister for Railways, Communications, Electronics & IT Ashwini Vaishnaw**, the **NITI Aayog Member (Health) Dr. Vinod Paul**, the **Union Minister of State for Health & Family Welfare Dr. Bharati Pravin Pawar**, **NITI Aayog Member (Health) Dr. Vinod Paul**, **Uttarakhand State Health Minister Dr. Dhan Singh Rawat**, and **CEO National Health Authority Dr. R S Sharma**.
- At the event, Health Minister Mandaviya said that **19 crore Ayushman Cards** were issued across **33 States and Union Territories (UTs)**, and more than **24 crore Ayushman Bharat Health Account (ABHA)** numbers were also generated.
- Various sessions were held in Arogya Manthan with representatives from international organizations/ministries viz. **World Bank, Hong Kong Hospital Authority, Center for Medicare and Medicaid Innovation, Commonwealth Centre for Digital Health, Global Health Payment LLC, USA, Health Ministry Mexico, Pharmaceutical Benefits Advisory Committee, Australia, and Ministry of Health, Thailand** along with various thought leaders of healthcare and technology in India.
- **PMJAY** is the **world's largest health insurance** which is fully financed by the central government. The scheme offers a sum insured of **Rs. 5 lakh** per family for both, **secondary** and **tertiary care**.

VITAMIN ANGELS INDIA PARTNERS WITH UNICEF

Current Context: Vitamin Angels India announced a partnership with the United Nations Children's Fund (UNICEF) India for Poshan Maah 2022.

KEY POINTS

- The collaboration aims to address **undernutrition** in India and spread nutrition-related awareness in the country.
- Through the partnership, the objective is to implement a **unified outreach program** to enhance nutritional content, delivery, and outcomes with a prime focus on fostering **immunity, health, and wellness** to various diseases.
- During the ongoing **Poshan Maah 2022 (01 Sep- 30 Sep)**, Vitamin Angels India has hosted **160 nutrition-related awareness activities** across India that reached over **100,000 people**. These include:
 1. awareness campaigns
 2. screening films and videos on nutritional needs and awareness
 3. organizing Poshan Rallies
 4. capacity-building sessions for pregnant women and ASHA workers on prenatal care and malnutrition
 5. administering Vitamin A and Albendazole supplements to children
 6. community theatre and plays
 7. mass nutrition oath
 8. workshops on a balanced diet
- The collaboration between Vitamin Angels and UNICEF further extends to the launch of the **Poshan Innovation Platform** initiative in **January 2023**.
- The Poshan Innovation Platform aims to invite various **civil society networks, educational institutions, and businesses** from across India for sharing innovative ideas on nutrition interventions for maternal, infant, and young children.
- **UNICEF** is a UN agency responsible for extending **humanitarian and developmental aid** to **children** across the world. It was established in **1946** with its headquarters in **New York**. The current **Executive Director** of UNICEF is **Catherine Russell** and the **current President** is **Tore Hattrem**.
- **Vitamin Angels** is an international organization that was formed in **1994** with the objective to **eliminate malnutrition** by providing essential life-saving vitamins to mothers and children across the world. Its headquarters is in **Santa Barbara, California** and the current **President** of the organization is **Howard B. Schiffer**.

CLICK2PROTECT OPTIMA SECURE

Current Context: HDFC ERGO General Insurance Company Limited partnered with HDFC Life to launch Click2Protect Optima Secure.

ABOUT

- **Click2Protect Optima Secure** is a comprehensive insurance plan that aims to provide holistic protection to customers.
- It combines **life and health insurance solution** benefits, thereby offering simple and uncomplicated financial planning for customers.
- The **life insurance** component of the scheme will offer protection for any unforeseeable events with a minimum sum assured of **Rs. 50,000**. It will be serviced by **HDFC Life**.
- The **health insurance** component of the scheme will assist customers with a sum insured ranging from **Rs. 5 lakh to Rs. 2 cr.** It will be serviced by **HDFC ERGO**.
- The Click2Protect Optima Secure plan offers **"Individual"** and **"Family Floater"** options.
- The **maximum age** under Life Insurance Protection is **85 years**, with a cover for the **eldest member** of the family in case of a **"family floater"** policy.
- **HDFC Life** was established in **2000** with its **headquarters in Mumbai**. The current **CEO** and **MD** of the company are **Vibha Padalkar**.
- **HDFC ERGO** was established in **2002** with its **headquarters in Mumbai**. The current **CEO** of the company is **Ritesh Kumar**.

AGNI TATTVA- ENERGY FOR LIFE CAMPAIGN

Current Context: The Union Minister of Power and New & Renewable Energy, RK Singh, launched the Agni Tattva–Energy for LiFE campaign in New Delhi.

KEY HIGHLIGHTS

- It was launched to create awareness about the core concept of **Agni Tattva** which is one of the five elements of **Panchmahabhoot**.
- The Panchmahabhoot consists of:
 1. **Fire (Agni)**
 2. **Air (Vayu)**
 3. **Water (Jal)**

4. Earth (Prithvi) 5. Space (Aakash)

- The campaign aims to provide a platform to **discuss and deliberate** upon the learning and experiences of experts and specialists and explore solutions for a **sustainable future**.
- Several vital topics focusing on **health, spirituality, environment, security, consumption, and production transport** will be covered as a part of the campaign.
- The idea of **Lifestyle for the Environment (LiFE)** was introduced by PM Modi during the **26th United Nations Climate Change Conference of the Parties (COP26)** in **Glasgow** in **2021**.
- The key idea of LiFE is to move away from the practice of **"mindless and wasteful consumption"** and embrace **"mindful and deliberate utilization"**.

SWACHH TOYCATHON

Current Context: The Minister of Housing and Urban Affairs (MoHUA), Hardeep Singh Puri, launched Swachh Toycathon under the Swachh Amrit Mahotsav.

KEY POINTS

- **Swachh Toycathon** is a unique competition in which individuals and groups will bring forth innovation in **toy designs** using **dry waste**.
- This initiative aims to fulfill the growing **demand for toys** along with addressing the **impacts of solid waste**.
- With **Center for Creative Learning, IIT-Gandhinagar** as its knowledge partner, the competition will be hosted on **MyGov's Innovate India** portal.
- The toycathon will be based on 3 broad themes:
 1. **Fun and Learn** seeks ideas for design and an early prototype of toys from waste at home, workplace, and surroundings.
 2. **Use and Enjoy** seeks ideas for design and models of games and play in the park/open spaces made from waste.
 3. **New and old** seek ideas/solutions/working models for circularity in the toy industry.

- Swachh Toycathon is being organized as a part of the **National Action Plan for Toys 2020**.
- National Action Plan for Toys 2020 is an initiative of the **Department for Promotion of Industry and Internal Trade (DPIIT)** that was introduced to promote the Indian toy industry along with traditional handicrafts to make India a global Toy hub.

NASA'S DART MISSION

Current Context: The National Aeronautics and Space Administration (NASA) launched its Double Asteroid Redirection Test (DART) mission.

KEY FACTS

- The **DART Mission** was launched with the objective to test the novel technology that **changes the course** of an asteroid heading towards the Earth.
- It is the first **Kinetic Impactor Method** of planetary defense effort that involved a DART spacecraft colliding with the **small moonlet called Dimorphos** that orbits a larger **asteroid** named **Didymos**.
- The **DART Spacecraft** successfully crashed into the target, i.e. **Dimorphos** and in a few weeks, the scientists at NASA will determine the overall impact of the mission.
- DART is a **low-cost spacecraft** that weighs around **600 kg** and uses **hydrazine propellant** for maneuvering the spacecraft.
- The spacecraft is also equipped with a **high-resolution imager** called **Didymos Reconnaissance and Asteroid Camera for Optical Navigation (DRACO)**.

SPECIAL ASSISTANCE TO STATES FOR CAPITAL INVESTMENT

Current Context: The Government of India (GoI) launched a scheme for Special Assistance to States for Capital Investment for 2022-23.

DETAILS

- Under this scheme of the Central Govt., states will receive a **50-year interest-free loan** for capital investment projects.
- The scheme was announced by Finance Minister **Nirmala Sitharaman** during her **2022-23 Budget speech**.
- The **Department of Expenditure (DoE)** approved granting of loans to **4 states**, namely **Karnataka (Rs. 156 cr.); Jharkhand (Rs. 84 cr.); Haryana (Rs. 65 cr.); and Uttarakhand (Rs. 50 cr.)**.
- The **total outlay** of the scheme is **Rs. 1 lakh crore**, in which **Rs. 3000 crores** are earmarked for capital projects on **Optical Fiber Cable (OFC)** network.
- The assistance provided to the states by the GoI under this scheme will be **over and above** the normal permissible borrowing ceiling allowed to the states.
- **DoE** comes under the **Ministry of Finance** and is the nodal Department for looking after the public financial management system in the Central Government and matters connected with state finances.

WAPCOS FILES DRHP AT SEBI FOR IPO LAUNCH

Current Context: WAPCOS Limited filed initial papers with the Securities and Exchange Board of India (SEBI), for its proposed Initial Public Offering (IPO).

ABOUT

- According to the **Draft Red Herring Prospectus (DRHP)**, the public issue with a face value of **Rs 10** per equity share.
- It will be a **complete offer-for-sale (OFS)** of up to **3.25 crore shares** by the President of India, acting through the **Jal Shakti Ministry**.
- The IPO is being made through the **Book Building Process**, in which:
 1. **not more than 50%** of the Offer will be available for allocation to **Qualified Institutional Buyers**.
 2. **not less than 15%** of the Offer will be available for allocation to **Non-Institutional Bidders**.
 3. **not more than 35%** of the Offer will be available for allocation to **Retail Individual Bidders**.

- **WAPCOS Limited** is a Government of India-owned consultancy service provider under the **Ministry of Jal Shakti** and was established in **1969** with its headquarters in **New Delhi**. The current Chairperson of WAPCOS Ltd. is **RK Agrawal**.
- **DRHP** is a **preliminary registration document** that is filed by the company with a **market regulator** (in India- SEBI) when it plans to **raise money** by selling its shares in the market.

INDIGENOUS AVGAS 100LL

Current Context: The Union Minister for Petroleum and Natural Gas, Hardeep Singh Puri, launched indigenous production of AVGAS 100 LL in Ghaziabad, UP.

KEY HIGHLIGHTS

- The **AVGAS 100 LL** is a special aviation fuel meant for **piston engine aircraft** and **Unmanned Aerial Vehicles (UAVs)**.
- The oil marketing company, **Indian Oil Corporation Limited (IOCL)** has been given the responsibility to produce and market AVGAS 100 LL in the country.
- The IOCL will produce AVGAS 100 LL in its flagship refinery situated in **Vadodara, Gujarat**.
- Currently, India **imports** AVGAS 100 LL from **European nations** and this initiative is set to reduce the import dependence on fuels, as envisioned in the **Atma Nirbhar Bharat Abhiyan**.
- **AVGAS 100 LL** is the principal grade of **Aviation Gasoline** which is primarily used by **defense forces** and **Flying Training Organizations (FTOs)**.
- The fuel is of **superior quality** as it has a **high octane number**.
- **IOCL** is a PSU under the **Ministry of Petroleum and Natural Gas** and was established in **1959** with its headquarters in **New Delhi**. The current **Chairperson** of IOCL is **Shrikant Madhav Vaidya**.
